### After Glow

I'd like the memory of me to be a happy one. I'd like to leave an after glow of smiles when life is done. I'd like to leave an echo, whispering softly down the ways. Of happy times and laughing times and bright and sunny days. I'd like the tears of those who grieve, to dry before the sun, Of happy memories that I leave when life is done.

#### Х

All I ask of you is that wherever you may be you will always remember me at the Altar of God

#### PADRE PIO

Oh Jesus, full of grace and charity, victim for sinners, so impelled by Your love for us that You willed to die on the cross, I humbly entreat Thee to glorify in heaven and on earth, the Servant of God, Padre Pio of Pietrelcina, who generously participated in Your sufferings, who loved Thee so much and laboured so faithfully for the glory of Your heavenly Father and for the good of souls. With confidence, I beseech Thee to grant me, through his intercession, the grace of ... which I ardently desire.

**Missed So Dearly** 

Missed in the morning of every day, Missed in the evening as light fades away, Missed in a thousand and one little ways, Around every corner a memory stays.

No one knows the pain we bear, When we all meet and you're not there, We talk, we laugh, we play our part, But behind it all lie broken hearts.

You gave us years of happiness, Then sorrow came with tears, You left us lovely memories, We will treasure through the years.

You can only have one father, Patient, kind and true; No other friend in all the world, Will be the same to you. When other friends forsake you, To father you will return, For all his loving kindness, He asks nothing in return.

As we look upon his picture, Sweet memories we recall, Of a face so full of sunshine, And a smile for one and all, Sweet Jesus, take this message, To our dear father up above; Tell him how we miss him, And give him all our love.

We lost a mother with a heart of gold, How much we miss her can never be told. She shared our troubles and helped us along, If we follow her footsteps we will never go wrong.

We miss you from your fireside chair, Your loving smile and gentle air, Your vacant place no one can fill, We miss you mother And always will.

In a near and silent graveyard, Where the trees their branches wave, Sleeps a kind and loving mother, In her cold and lonely grave. She bade no one a last farewell She raised her hand to none; Her spirit flew before we knew. That she from us had gone. X
